REPORT OF C. H. WILLIAMSON PRINCIPAL OF SHILOH INSTITUTE, AUGUST 23rd, 1916.

To The Shiloh Missionary Baptist Association, here assembled with the Jerusalem Baptist Church, Greetings:

Dear Brethren:—

Having been elected by both your Trustees and this Association Aug. 19th, 1915, Principal of your "Shiloh Institute," and having accepted the Principalship Aug. 19th, 1915, it now gives me much pleasure to make the following partial report:

Time and space will not permit me to go into all the details. Since you elected me Principal I have read with care and with a scrutinizing eye, every minute of the Association, every resolution and every act of law appertaining to "Shiloh Institute." Since 1910 or 1911 I have seen it in the valleys, on the level, on the hill-top and I hope to see it on a high peak of the mountain, spreading as a green tree of Lebanon (Explain tree of Lebanon.) Sept. 1915 I went with members of the Trustee Board, to the Shiloh Institute, reviewed both the place and the building, discussed and took under consideration the condition of everything. I found Rev. E. M. Bridgfort and family living in the building with crops on the land; I found also S. M. Watson and family living on the premises. Having taken in charge the property, Oct. 10th, 1915, I opened school 20th of Oct. 1015. That date we opened with enrollment of about 32 scholars. We had during the scholastic year in Shiloh Building and with the annex, the School taught by Miss Willie Thornton, at the First Baptist Church, Warrenton, N. C., 122 students enrolled. We had a successful term without any trouble. Our commencement May 17th was considered very good; we had splendid attendants at our commencement with the best order. We did not open our Boarding Department for the reason Rev. Bridgfort and family lived in the building as foresaid and occupied all of the lower floor and did not move out until February of this year. We found the building not in the best condition. Rev. Bridgfort not having any outbuildings had his crops such as peas, tobacco, potatoes, etc., in the building. We found only two doors to the building, one up stairs and one down, with transcients out of both.

We went to work and put a door in each end of the house, sealed the stairway in the big hall, placed a door at the foot of the stairway, put locks on all the lower windows and other necessary preparations for the safety and protection of the property. We prepared out houses, boxed in and

covered our well so that we have clean water. Having payed a man $2.50 for cleaning well, we prepared buckets and other things that were necessary. We ordered two large transoms, but they came too large, could not be used. we bought chairs, and arranged other settees and made things as comfortable as possible. we made the following collections and disbursements during the school time term:

MODERATOR'S ADDRESS.

August 22nd, 1916.

Dear Brethren of Shiloh Association, Sisters and Friends: This being the forty-six annual session through the wise and allseeing Providence, we are again blessed to meet in another session of which is the forty-sixth of Shiloh Missionary Baptist Association, and for this great and mighty blessing we all should feel very grateful to our heavenly Master for having spared us to meet again and see each other face to face. Since we met last, many who once met with us in these meetings have departed this life, and will meet us no more until the last day when all will meet to part no more. Dear Brethren, we have come together for the purpose of doing our Heavenly Master's work. Let us in this session pray that the Holy Spirit May guide us in all our deliberations, and that we strive to please our blessed Lord and Saviour Jesus Christ. Let us so act that we may make the grandest meeting in the history of Shiloh Association. Again, dear Brethren, we have much work to do, our church work is before us, the Mission work, the Orphanage and Shiloh Institute. Dear Brethren, since the Lord has cleared up the avenues so we can see better how to go forward in this great vineyard, let us muster our forces to hold up the arms of our principal in the person of Rev. C. H. Williamson which is our duty to stand by and support him in every needful way. Now to the young ladies and gentlemen whereas it is so important for and needful for girls and boys to educate themselves for the duties of life, be it

Resolved, That we as parents will encourage and support in every way needful, our Principal, Rev. C. H. Williamson,

and send our children to Shiloh Institute for the proper training and to be educated.

(2) Be it Resolved, Whereas it is much needful for young men that feel like they have been called of God to preach the Gospel and have not had an opportunity to prepare themselves for the great task, I recommend them to take a course of studies under the great leadership of our Principal C. H. Williamson.

Dear Brethren, notwithstanding I have not been able to do great things, I have done the best I could under the leadership of the Holy Spirit, with the brethren holding up my arms like Aaron of old holding up Moses arms. Dear Brethren I bring to you again as an humble servant of the Lord, and yours likewise this gavel and praying that our Heavenly Master may lead you, I am your Brother. S. G. Griggs.
